

SBA Series 4U Low-Profile Vertical Wall-Mount Bracket Rack SBA5304

Highlights

- Versatile and lightweight Bracket fits all standard 19" rack mount devices
- Improved efficiency with vertical wall mount space saving design
- Cable pass through holes for easy cable management.
- Sturdy heavy duty welded frame cold rolled steel construction built for durability.
- Maximum load capacity of 45 lbs
- Arrive fully assembled with screws and all installation hardware.

Description

Our Vertical Wall-Mount Bracket is for storing EIA-standard 19-inch rack equipment if you don't have enough space for a full-size rack or cabinet in network closets, offices, classrooms, retail stores and other areas with limited floor space but high demand for secure and organized storage. These low-profile bracket saves space by extending only minimal depth from the wall while housing the length of your equipment vertically. Sturdy welded frame construction made of high quality SPCC Cold Rolled Steel with durable powder coating finish. Available in 1U to 6U configurations.

Features

Space-Saving Design

- Convenient low profile vertical mount space-saving designed for a versatile storage solution.
- Allowing equipment (Network devices, power strips, patch panels) to be mounted vertically (flush with the wall) to save space.
- Suitable for installation under a desk for instant access to the installed equipment.

Versatility and Equipment Security

- Versatile, sturdy yet lightweight bracket fits all standard 19" rack mount devices, such as audio video, media, data, computer, network, and IT equipment.
- Ideal for SoHo (small office, home office) environments lacking the footprint space for a full-size server equipment rack.

Easy Equipment Installation

- The rack comes fully assembled with all necessary mounting hardware included, featuring threaded #12-24 mounting holes for easy installation. Matching screws are included.
- Suitable for mounting on virtually any wall/ceiling surface. Cable pass through holes for easy cable management.

Product Data Sheet

Specifications

Overview	
Model	SBA5304
Type	Open-Frames
Style	Wall-Mount
Physical	
Rack Height	4U
Rack Depth (in. / mm)	N/A
Maximum Device Depth (in. / mm)	N/A
Front Door Type	N/A
Load capacity (lbs / kg)	45/20
Number of vertical mounting rails	2
Number of L brackets	N/A
Shelves	N/A
Cable access	Unrestricted
Unit Dimensions (H x W x D / in.)	6 x 20.25 x 8.25
Unit weight (lbs)	6
Shipping Dimensions (H x W x D / in.)	7 x 9 x 21
Shipping weight (lbs)	6
Color	Black
Other Features
