

SRW Series 8U 2-Post Wall Mount Open Frame, 18-inch Depth

SRW08U

Highlights

- Fits rack equipment up to 18 in deep.
- Maximum load capacity of 150 lbs.
- Rugged high-quality 1.5mm cold rolled steel construction.
- Pre-tapped 12-24 threaded holes for any network application.
- Fits all standard 19" rack mount IT or A/V gears in one rack
- Ships flat pack and easy installation
- 10-year limited warranty

Description

SRW Series Wall Mount Open Frame organizes EIA-standard 19-inch rack equipment in network room, offices, classrooms and other locations with limited floor space. The open solid frames with industry standards offer versatile solutions and enables unobstructed maximum airflow from the front to the back-end of equipment that reduces hot spots, resulting in a more efficient operation and a longer lifespan. The open design also allows easy access to the front and rear of equipment, from any angle, for cable management and servicing..

Available in a variety of heights and depths. Comes flat-packed for easy assembly. Hardware is included for hassle-free installation.

Features

Optimal and Expandable Design

- Utilize as a free-standing unit or mount it on the wall to conserve valuable workspace. Expandable and stack-able (for multiple racks) .
- The open frame design allows for unimpeded airflow in cooling, and offers easy access for installation and servicing tasks.

Quality Construction and Equipment Security

- Heavy-duty cold rolled steel frame construction with powder-coated finish for durability.
- Double reinforced wall anchor mounting holes. Supports stationary loads up to 150 lbs (68 Kgs).
- comes with all the hardware required for assembly and has a self-squaring design with bolt-down provisions.

Easy installation and quick deployment

- Open frame built-in cable-tie slots provide easy device access/cable management. Pre-tapped 12-24 threaded holes for easy installation of standard 19-inch rack equipment.
- The rack comes flat packed and is easy to assemble with included hardware.

Product Data Sheet

Specifications

Overview	
Model	SRW08U
Type	Open-Frames
Style	Wall-Mount
Physical	
Rack Height	8U
Rack Depth (in. / mm)	18 / 457
Maximum Device Depth (in. / mm)	18 / 457
Roof/Bottom Panels	N/A
Equipment Mounting Holes	#12-24 threaded
Number of vertical mounting rails	2
Number of L brackets	N/A
Shelves	2
Weight Capacity (lbs / kg)	150 / 68
Unit Dimensions (H x W x D / in.)	18 x 20x 18
Unit weight (lbs)	11
Shipping Dimensions (H x W x D / in.)	21 x 19 x 5
Shipping weight (lbs)	13
Assembly Required	Yes
Color	Black
Other Features	
Grounding lug	No
Casters	No
Built-in cable management	No
Standards & Compliance	
Compliance	RoHS, CE, EIA/ECA-310-E
Warranty	
Warranty Period	10-year limited warranty
