SRC Series 20U 4-Post Wall Mount Open Frame Rack, Side Mount, Floor-Standing
SRC5520

Highlights

- Maximum load capacity up to 790 lbs (360kg) for floor standing, 200 lbs (90kg) for wall mounting.

- Heavy-duty SPCC cold-rolled steel. #12-24 threaded and Square Mounting Holes

- Open design and included vented shelves optimize air flow.

- From front and rear of your equipment, flexible Cable Management with access from any side.

- Ships flat pack and easy installation

- 10-year limited warranty

Description

SRC Series Wall Mount Open Frame supports both front and side mount, enabling 19-inch servers, A/V or network equip-ment to be installed parallel or perpendicular to the wall, ideal for applications in closets, back offices, or anywhere where space is limited. A side mount configuration allows for a greater mounting depth with the elimination of a wall barrier, also enables unob-structed maximum airflow from the front to the back-end of equipment that reduces hot spots, resulting in a more efficient opera- tion and a longer lifespan. The open design also allows easy access to the front and rear of equipment, from any angle, for cable management and servicing.

Features

Universal and Optimal Design

- **This unit supports both front and side mounting options, featuring #10-32 round mounting holes at the front and square mounting holes on the side. Wall-mounted or floor-standing with included casters. Pre-drilled Base frames support fastening to the ground and stacking.**
- The side mount configuration allows for a greater mounting depth with the elimination of a rear wall barrier.
- Unobstructed back-end of equipment reduces hot spots for efficient operation and longer lifespan of networking equipment.

Quality Construction and Equipment Security

- Sturdy and Durable 4-post construction, heavy-duty SPCC cold-rolled steel. The black RAL9005 powder coat finish makes rack resistant to scratching and rusting.
- Support maximum load capacity up to 790 lbs (360kg) for floor standing, 200 lbs (90kg) for wall mounting.

Complete Kit and Ready for quick deployment

- Includes everything you need to rack them up! Entire 20U open frame rack structure, 1x 1U vented shelf (14" deep), 1x 2U vented shelf (16" deep), and rack mounting screws.
- The rack comes flat packed and is easy to assemble with included hardware.

Specifications

Overview	
Model	SRC5520
Type	Open-Frames
Style	4-Post; Floor-Standing; Wall-Mount
Physical	
Rack Height	20U
Rack Depth (in. / mm)	20.3 / 516
Maximum Device Depth (in. / mm)	N/A
Roof/Bottom Panels	N/A
Equipment Mounting Holes	#12-24 threaded and Square Mounting Holes
Number of vertical mounting rails	4
Number of L brackets	N/A
Shelves	2
Weight Capacity (lbs / kg)	790 / 360 (200 / 90 for wall-mount)
Unit Dimensions (H x W x D / in.)	42 x 20.3 x 20.3
Unit weight (lbs)	37
Shipping Dimensions (H x W x D / in.)	42 x 22 x 6
Shipping weight (lbs)	39
Assembly Required	Yes
Color	Black
Other Features	
Grounding Kit	No
Casters	Yes (4)
Built-in cable management	No
Standards & Compliance	
Compliance	RoHS, CE, EIA/ECA-310-E
Warranty	
Warranty Period	10-year limited warranty
